Jesse A. Saperstein

## Did you know...

**Happiness House offers a continuum of Autism Services for children and adults**

**Clinical services** are specialized to meet the individualized needs of people who have developmental disabilities, including autism. Our highly trained staff offer occupational, physical, speech, and aquatic therapy using a multi-sensory approach in a one on one setting.

Happiness House has specialized state of the art equipment designed to meet the individual needs of those we serve.

Please visit our website: [www.happinesshouse.org](http://www.happinesshouse.org) for more details on services.  
Contact Jill Mundy, Autism Coordinator at 315.789.6828 or [jmundy@happinesshouse.org](mailto:jmundy@happinesshouse.org) for more information about events.
