NEW FRIENDS PRESCHOOL & CHILD CARE PROGRAM

Happiness House, an educational, residential, health and human service organization, has been serving communities in the Finger Lakes region since 1969.

The Golisano Autism Center is an inclusive one-stop autism hub offering a multitude of educational, social, recreational, and therapeutic supports and services for children and adults. The Center is located in the City of Rochester.

What happens here changes lives forever.
PROGRAM STRUCTURE
• Provides an inclusive setting for children with and without disabilities.
• Classroom resource team includes a certified/licensed special education teacher, elementary education teacher, speech therapist, physical therapist, and occupational therapist, as well as a psychologist, and a school nurse.
• Builds on individual strengths and needs in a caring and accepting environment.
• Addresses the individual learning needs and styles of all children in the integrated setting.
• Encourages all areas of child development: fine motor, gross motor, speech and language, and cognitive skills.
• Fosters independence and enhances self-esteem.
• Guides and encourages cooperative play skills and social interactions among all children.
• Rich child/staff ratio.

DAILY ROUTINE
• **Morning Activities** Individual and small group activities to begin each day with a smile.
• **Movement & Music** Songs and music to inspire everyone.
• **Choice Center Activity** Time to play and socialize with friends and choose activities including art, computer, listening center, water table, fine motor, sand table, and housekeeping.
• **Story Time** Always an important component of the day!
• **Lunch** (Nutritional hot lunch served for Geneva UPK students only).
• **Rest/Quiet Time** Relaxation and/or quiet games.
• **Large Group Closing Activity** Group games to bring closure to the day (for those children leaving).
• **Enrichment** Open-ended activities, snack, and individual activities of child’s choice.
