Happiness House offers occupational, physical, speech, and aquatic therapy, psychology and psychiatry services. Our clinical team has the expertise necessary to meet the needs of individuals with neurological impairments, traumatic brain injury, and developmental disabilities. Happiness House has specialized state-of-the-art equipment designed to meet the individual needs of those we serve.

Happiness House is a United Way funded agency and is an affiliate of Cerebral Palsy Associations of New York State. Services are provided in conjunction with the NYS Office of Children and Family Services, the NYSED, the Department of Health, and the Office of Mental Retardation and Developmental Disabilities.
