SUPPORT FOR FAMILIES WITH AUTISM
Golisano Autism Center to Offer Resources Sooner.

When the Golisano Autism Center opens in 2019, it will serve as a central resource— the only one of its kind in our region—for families to access a full lifespan of autism related services, all under one roof in the City of Rochester. We realize that vital supports are needed immediately and should not wait for the Center to open. To that end, we are proud to announce that two essential resources will be available much sooner than originally planned.

Autism Helpline
The founding members, CP Rochester, AutismUp and Al Sigl Community of Agencies, recognized an urgent community need for additional support and have partnered together to provide a dedicated helpline, which went live on July 1. The Autism HelpLine is staffed seven days a week by information and referral specialists who will guide individuals and their families to find services and programs in the community. Call 1-866-AUTISM4 today to connect with help.

Family Autism Navigator
Another key service that will be offered before the Center’s 2019 launch is the Family Autism Navigator. Based at the Boys and Girls Club on Genesee Street in Rochester, the Family Autism Navigator will be staffed by a parent of an individual with autism, with firsthand experience and professional training. As Navigator, this parent will provide one-on-one advice and support to families and others facing the challenges of autism. The Family Autism Navigator is now in place.

Making the Dream a Reality
Tremendous progress has been made and the Golisano Autism Center is on schedule to break ground this fall. In January 2018, the Golisano Autism Center was officially incorporated as a not-for-profit agency, with the vision to transform the delivery of autism services in the Greater Rochester and Finger Lakes areas. The Board of Directors was

A Message of Thanks from the Cassata Family

Dear Mary,

Thank you for honoring the Cassata family with the Harold C. Augustin Founders Award at the Gala. My father told me he was so overwhelmed with this honor that he was at a loss for words at the podium and could not fully communicate his thoughts. He said there is more he wanted to say and hence the reason for this letter.

Now age ninety, Dad’s work dates back almost sixty years, when he and my mother learned that Tom had special needs and challenges. As a child, I watched them volunteer their time along with the other parents. They banded together, offering each other the assistance and emotional support needed to improve resources for their children. Together they helped create the organization which would become CP Rochester. Over the years, we have seen Tom benefit immensely from the services provided by CP Rochester, including physical therapy, education, art, and so much more. He is always talking about the dedicated people and the many activities available.

In conclusion, we want to express our heartfelt gratitude to the staff and administration of CP Rochester and to the numerous benefactors who have donated so generously!

Sincerely,

Maria Casanzio
Tackles & Touchdowns Fundraisers Benefit Kids and Adults with Disabilities

We are grateful to the Hobart College Statesmen football team for their dedication to our mission of supporting people with disabilities. Players, along with the Hobart College Athletic Department, commit their time, effort, and contributions through their Tackles and Touchdowns fundraiser. The Hobart College football team hosted the Rensselaer Polytechnic Institute Engineers at Bowswell Field for the eighth annual Tackles and Touchdowns fundraiser.

Players visited preschool students at Happiness House the week before the game and then hit the field on game day! The players witnessed firsthand how our agency changes lives every day and the children had a blast with the Statesmen, playing a gentle version of tackles and touchdowns.

Members of Hobart Statesmen football team asked local businesses and fans to donate $1 for every tackle Hobart made and $7 for every touchdown. The Peck family joined in the fun, assisting with the pre-game coin toss. Louie Peck who was a preschooler at Happiness House and is now in Kindergarten, certainly won the day!

This annual event has raised more than $42,000 and showcases the caring and compassion of these remarkable young men. We thank them for their commitment to improving their community for the better.
The Stars were Shining Bright
at our 4th Annual Evening of Stars Gala

Thank you! Ability Partners Foundation hosted our 4th Annual Evening of Stars Gala and we raised $130,000! It was a wonderful evening and we truly appreciate your generosity and support.

The Gala, presented by the Lilliputian Foundation, was held at Locust Hill Country Club in Pittsford, NY in support of the programs and services at CP Rochester, Happiness House and Rochester Rehabilitation. A portion of this year’s proceeds will benefit the new Golisano Autism Center.

A special thank you to Joe Lomonaco, co-host of the 5 o’clock News Hour on NewsRadio WHAM 1180! Joe served as the Auctioneer for the evening and helped lead us to a very successful silent auction, cash call and wine cork pull! Scott Hetsko, Meteorologist at 13WHAM News, gave the keynote speech. He talked about the services his son Logan received at CP Rochester and shared the story of his lifesaving heart transplant.

Our Stars are what really make the Evening of Stars Gala shine. During the Gala, we take the opportunity to thank individuals who exemplify a generosity of spirit and make a significant contribution to our organization and to improving the lives of people with disabilities and disadvantages. All of our honorees have our heartfelt thanks!

Ann Costello, Executive Director of the Golisano Foundation, received this year’s Humanitarian of the Year Award. Costello was recognized for her dedication to and collaborations with the agency as well as her commitment in advocating for, and on behalf of, people with disabilities. Paychex Founder, Tom Golisano, attended the Gala to honor Costello.

Wegmans was the recipient of the Community Partner of the Year Award for their ongoing support to all three agencies through sponsorships, grants and in-kind donations.

The Harold C. Augustin Founders Award was presented to the Cassata Family, Eugene, Tom, Maria Cassata Casanzio and her husband, Sam. The Cassatas have been a great support to CP Rochester for many years. Tom has been a part of the agency since he was in preschool, and his parents, Eugene and Vicki were actively involved in the Board of Directors, as well as many fundraising events.

The Volunteer of the Year Award was presented to Alan Cocquyt, Senior Project Estimator at LeChase Construction. He has been a dedicated instructor and coordinator for the Shared Ski Adventures program since 2009. In addition to working with the skiers, Alan has donated, built, and repaired many items for the program on his own initiative.

Boston Bigwarfe was one of the evening’s Stars. A special thank you to Boston and his family who volunteered to pass out our Gala Programs.

Robert C. Maddamma received the Outstanding Board Member of the Year Award. Bob volunteers his time and expertise on various committees within the agencies. Bob’s talents as a seasoned business executive, university professor, and caring, compassionate community leader are of great value to the Board, the agencies, and the individuals we serve.

A special part of the evening is the opportunity to recognize several key individuals who have volunteered their time and service to help the agencies thrive. We wish all our honorees our heartfelt congratulations!

The “Happiness is Helping” Humanitarian Award was presented to Amy Cram and Bill and Phyllis Cram. Amy is the owner and president of Bill Cram Chevrolet, and is immediate past chair of the Ability Partners Foundation Board of Directors. Bill Cram, founder of Bill Cram Chevrolet, and his wife, Phyllis, greatly support the agencies. Bill Cram Chevrolet is a major sponsor of events and programs.

GOLISANO AUTISM CENTER UPDATE

established at the inaugural board meeting in January. The BOD will have fiduciary oversite for the development of the Center and its programs and services. Mary Walsh Boatfield (CP Rochester) is the first Chairperson of the Board of Directors. Thomas O’Connor (Al Sigl Community of Agencies) is the Vice Chair and Sarah Milko (AutismUp) is Secretary and Treasurer. Board members include Jeffrey Baker, Scott Burdett and Thomas Wilmot, Jr. Additional community board members are expected to be added as the Golisano Autism Center is further developed.

Putting the Pieces Together Campaign

Board Members of the Founding Agencies are Putting the Pieces Together to create the new Golisano Autism Center. They gathered for an update on the progress of this comprehensive center which will transform the lives of thousands of children and young adults and their families who live with Autism.

The new Center will be named for philanthropist, and Paychex and Golisano Foundation Chairman, B. Thomas Golisano, whose matching challenge grant of $2.5 million provided the critical corner stone to help build the Center. The first major gift toward the challenge comes from the Golisano Foundation in the amount of $500,000, making the total commitment-to-date $3 million. We are making great progress towards our $8 million dollar campaign goal.

We extend our appreciation and gratitude to Mr. Golisano and the trustees of Golisano Foundation for the generous lead gifts that they have provided and to Ann Costello for leading these extraordinary efforts.

The goal of the Golisano Autism Center is to provide services to 10,000 people with autism throughout the region. The center will include shared program spaces, a sensory gym, classrooms, therapy rooms and more. It is expected to open in September 2019. The dream of providing comprehensive, coordinated services for children with autism and their families will be a reality one day soon. Follow our progress at www.golisanoautismcenter.org.

AUTISM AWARENESS WALK

Our Honorary Chairs, Keegan and Aiden Francis, and their mother, Andrea led the Autism Awareness Walk at Eastview Mall. Registration is free for this family-friendly event and many walkers collected pledges to help raise money and awareness for autism. It was a record breaking year and we raised over $46,000!

The Francis family was first introduced to Happiness House after twins, Aiden and Keegan, were diagnosed with autism. The boys attend Happiness House New Friends Preschool Program in Canandaigua. They are non-verbal, but have recently spoken their first words, thanks to the early intervention at Happiness House. Andrea says her boys are making excellent progress. After walking, kids and their families had fun with various activities including raffle prizes, face painting, balloon artists, and friendly costumed characters provided by WXXI who brought smiles to all! Kids Miracle Making Club brought sports activities as well as their adorable therapy dogs. Homemade cookies, breads, and other yummy treats were available to purchase in support of the Walk. All registrants received free t-shirts.

Matt Tumbelekis of Sound Entertainment provided DJ services and led an energetic dance party.

As a special treat, Starbucks (located in the mall) gave all walkers wearing our t-shirts, a 10% discount off all purchases. We thank all of our sponsors and all of our participants for making this year’s walk such a success!

Special thanks to Alan Cocquyt! Alan is a long-time volunteer for Shared Ski Adventures and he planned a Family Ski night for LeChase employees. The event raised nearly $900 for the SportsNet Shared Ski Adventures Program.
Employment First Conference
Together, We are Stronger

We were honored to host our 3rd annual Employment First Conference, presented by Wegmans! Almost 200 people joined us in our commitment to improving employment outcomes for special populations.

We welcomed Monroe County Executive Cheryl Dinolfo, who joined us to give the opening remarks. She was joined by Deborah Stamps and Dr. Rashid Muhammad. Ms. Stamps is the Vice President for Rochester Regional Health’s Quality, Safety and Innovation Institute. Dr. Muhammad is the Director of Operations for the Rochester-Monroe Anti-Poverty Initiative.

Internationally-acclaimed musician, local activist, attorney, and former Monroe County Public Defender, Danielle Ponder gave the Keynote Address. She spoke to a packed ballroom, sharing her insights on social justice and poverty.

This day-long conference featured workshop sessions for both human service providers and other businesses, on topics such as evidenced-based, best practice models and creating successful partnerships between non-profit vocational employment programs and local businesses.

Russell Cunningham, a Rochester Rehabilitation program participant who was featured on the Wham13 News, “Someone You Should Know” segment, shared his success story with the DriveOn program. Joe Robinson, one of our own Rochester Rehabilitation employees shared his personal testimony.

New this year was a very popular Breakfast With the Talent Professionals early morning session. Participants enjoyed breakfast with our team of experts with a focus on finding hidden talent in a tight labor market, while meeting employment diversity goals. This session included a brief discussion of resources, supports, and incentives to help hire and retain new workers.

We thank all of our speakers, our sponsors, especially presenting sponsor, Wegmans, and training sponsor, The Lilliputian Foundation, and the over 40 companies who participated. These are the partnerships that will help us achieve our goal, which is creating opportunities and jobs for people of all abilities!
