The Mary Griswold Professional Service Award is presented annually to Happiness House employees who in and through their work display the qualities and professionalism inherent in the agency Mission and Vision. Advocacy on behalf of people with disabilities and their families and continuous effort to improve the lives of people served by Happiness House are considered in selecting recipients for this award. This award is named in memory of Mary W. Griswold, a former member of the Happiness House Board of Directors. This year's finalists include:

Marie Havens, Teaching Assistant  
Jessica McDonald, Coordinator of Quality Assurance  
Jamie McKenna, Elementary Education Teacher  
Cindy Perry, Teacher's Aide  
Katie Principio, Service Coordinator  
Diane Sansone, Clinic Program Secretary  
Maureen Schuck, Occupational Therapist  
Anna Spoor, Special Education Teacher  
Crystal Tomkins, Teaching Assistant  
Laura Wakley, Supervisor of Service Coordination

Congratulations to this year’s recipients: Jessica McDonald, Jamie McKenna, and Maureen Schuck.

This is the 15th year that the Mary Griswold Award has been presented. Past award recipients include:

Dionne Abraham  
Cheryl Coppola  
Sue Dancause  
Michelle Ficaglia  
Jen Inscho  
Lydia Naegele  
Sondra Scoins  
Tiffany Yancey

Anne Battaglia  
Diane Crofoot  
Julie Bertram  
Patti Cunningham  
Beth Boehnke  
Chrissy D'Amico  
Lynne Colacino

Diane Davis  
Harlene Gilbert  
Ann Decker  
Jenn Gruschow  
Heidi Haus  
Necebbia DeTaeye  
Krystyna Estes

YEARS OF SERVICE AWARDS

The following employees received awards for their years of service to Happiness House:

5 Years of Service
- Pamela Bailey, 1:1 Aide
- Jessica McDonald, Coordinator of Quality Assurance
- Jenny Perron, 1:1 Autism Aide
- Gordon Spencer, Residential Assistant Shift Leader
- Kara Hooper, Teaching Assistant
- Carmela Osborne, Speech Language Pathologist
- Joseph Preston, Independent Living Skills Trainer

10 Years of Service
- Jack Bailey, Independent Living Skills Trainer
- Heidi Haus, Speech Language Pathologist
- Jill Rogers, Special Education Teacher
- Jeffrey Stone, Elementary Education Teacher
- Elizabeth Boehnke, Service Coordinator
- Cassandra Passalacqua, Service Coordinator
- Catherine Scott, Teacher's Aide

15 Years of Service
- Susan Dancause, Head Start Coordinator of Family Services
- Cynthia Perry, Teacher's Aide
- Judy Goodman, Teaching Assistant

20 Years of Service
- Ann Decker, Special Education Teacher
- Patricia Hopper, Senior Speech Language Pathologist

25 Years of Service
- Michelle Ficaglia, Payroll Specialist

(view photos p. 9)
A MESSAGE FROM MARY WALSH BOATFIELD

For the fifteenth year, our staff and members of the Board of Directors came together at our Employee Recognition event to celebrate our employees, who are the backbone of who we are here at Happiness House.

Each year we present our employees with Years of Service awards and the Mary Griswold Professional Service awards, and ask our program participants and family members to provide testimonials about the employees who work with them. As we heard in the nominations and testimonials, we employ incredibly hard working, dedicated and caring staff.

This annual event provides me the opportunity to highlight their hard work and dedication to Happiness House which includes:

- One year ago, I announced the partnership between CP Rochester and Happiness House. We continue to work together to ensure that all individuals with disabilities in Monroe, Livingston, Ontario, Seneca, Wayne and Yates counties receive the services they want/need. A win-win for all of the individuals we serve.

- This past year, Happiness House received 4.2 million dollars to build an affordable housing option in Canandaigua. We hope to offer 22 individuals new housing options in the near future.

- Our Gala and Autism Awareness Walk were a huge success, raising funds to support our programs and services, including the purchase of a Kids Gait for our children’s program.

- With the help of many staff and individuals, we completed the case study for OPWDD. We were one of 20 organizations involved in this statewide study for assessment and unique funding options for our individuals. As we have concluded the study, we continue to strive for unique program options to offer our individuals and families.

- Senator Nozzolio partnered with Happiness House to present an Autism Summit in the Finger Lakes; more than 100 individuals/family members attended the summit. We continue to look for new opportunities to assist individuals with a diagnosis on the Autism Spectrum, and their families, through Autism Services of the Finger Lakes.

All of these accomplishments were realized through the team effort of our employees and our Board leadership.

I am so proud to be a member of the Happiness House family!

Mary Walsh Boatfield

THE HOBART STATESMEN VISIT HAPPINESS HOUSE / GENEVA
HAPPINESS HOUSE - SERVING FAMILIES LIVING WITH AUTISM FOR MORE THAN 20 YEARS

The U.S. Centers for Disease Control and Prevention (CDC) released astonishing statistics identifying that approximately 1 in 68 children have autism, up from 1 in 88 a year ago. This represents a 30% increase in autism prevalence since 2008 and a 62% increase since 2006. According to the study, 1 in 42 boys (4.5 times more than girls) and 1 in 189 girls are diagnosed with an autism spectrum disorder.

For more than 20 years, Happiness House has been recognized as a premier provider serving individuals of all ages exhibiting characteristics of or diagnosed with Autism. Autism spectrum disorder (ASD), a complex developmental disorder, that emerges before a child reaches age three, and affects the brain's typical functioning effecting their social and communication skills.

“Our Autism Diagnostic & Treatment Clinic at Happiness House has been extremely busy screening and evaluating children who are questionable; meaning, that they’re not meeting developmental milestones when they should be,” said Mary Walsh Boatfield, CEO of Autism Services of the Finger Lakes at Happiness House. The question that everyone wants to know the answer to is: “Are we just getting better at catching children at an earlier age? Which is an extremely difficult question to answer, especially when a family that has a child who went undiagnosed until the age of 4, a few at age 8, tell you that their child just, all of a sudden, lost all of their speech or they didn't want to play with their friends anymore.”

To intervene and support the child and the family at a very early age is critical to the development of that child. Since 1978, Happiness House’s Early Intervention (EI) Program has provided information, support and intervention services for eligible infants, toddlers and families, ages birth to two, in the Finger Lakes area. These services may include speech, occupational and physical therapies; service coordination, special education itinerant teacher services; and preschool to school age transition services. Our interdisciplinary approach includes parents in developing an individualized plan of intervention when there are concerns regarding their child’s growth and development.

Happiness House offers a full day integrated preschool program designed specifically for children with Autism using a behavioral approach to meet the unique needs of children on the Autism Spectrum. Our autism coordinator, teachers, therapists, and paraprofessionals implement specialized techniques such as Discrete Trial Teaching, Social Skill Development, and PECS (Picture Exchange Communication System) to maximize and individualize learning opportunities for each child.

The EI program, under the auspices of the Federal Individuals with Disabilities Education Act (IDEA) Part C, provides vital services for children with disabilities and developmental delays. The EI program has only received one increase in the 23 years since the rates were established and has been in crisis for some time, as costs for services continue to rise. With the 5% cut four years ago, more providers are opting out of continuing to provide these life-changing services to families in their community.

To learn more about our Autism Services at Happiness House, please contact Lynn D’Amico, Associate Executive Director of Children’s Programs at (315) 789-6828.

PROGRESS ON THE LIVING CENTER
FLUCP, Inc./Happiness House has been most progressive with economic development in the Finger Lakes region, and was ranked the 14th largest employer in Ontario County in the 2013 Rochester Business Journal. Happiness House is committed to finding new and constantly evolving ways of providing housing opportunities for individuals with disabilities. This is in keeping with the Governor’s plan of transformation: making available housing opportunities for individuals who are interested and capable of living in a more independent and cost effective setting. This was one of the goals identified as part of the transformation agreement between New York State Office for People With Developmental Disabilities and the Center for Medicare and Medicaid Services.

Happiness House is committed to providing lifelong opportunities for individuals with disabilities as they strive toward independence. In 2010, FLUCP, Inc./Happiness House opened a one-of-a-kind transitional home. This 5,300 square foot, eight person transitional residence, equipped with eight efficiency apartments, is owned by FLUCP, Inc./Happiness House. Residents volunteer, work or attend school outside the home. To date, half of the individuals have moved out of the home and into their own apartments in the community.

Also, in 2013 and on the same campus, Happiness House broke ground on a 20 unit handicap accessible apartment building for up to 24 individuals located at 2508 Happiness House Blvd. in Canandaigua, NY. Two of the apartments are fully accessible, and one is specifically designed for someone who is visually and/or hearing impaired. Ontario County will provide residents with affordable and accessible transportation via a bus route. Services will be available to each of the tenants who want or need these services.

To make this vision a reality, FLUCP, Inc./Happiness House was awarded $400,000 through Federal Home Loan Bank, and $2.4 million through Governor Andrew M. Cuomo’s New York State Homes & Community Renewal’s Unified Funding Application. This integrated apartment building will serve adults with traumatic brain injuries, adults with intellectual/developmental disabilities, or any individual who is eligible for affordable housing. In addition, a $1.4 million grant was awarded from The New York State Office of Temporary & Disability Assistance, as well as very generous gifts from community funders who provided us with the funding for engineering and start up costs for this project.

This non-certified residence was built in compliance with Americans with Disabilities Act, Office of People With Developmental Disabilities (OPWDD), Department of Health (DOH) and any other applicable regulations. The apartment complex will also be equipped with a community room, kitchen, laundry facilities, and office space. A walking trail with exercise equipment will connect the apartments with the main Happiness House building.

Happiness House will provide residents with services based on their individual needs, including case management, clinic services, individualized training for independent living skills, wellness and money management education, pre-vocational training, assistance with job search, and direct care support.

Since June 2013, Michael Jorgenson has lived in the Transition House apartments, stating, “The staff here are a great support. I’m getting stronger with my independence; it’s a slow but steady progress. I like the apartments because they are nice, clean, and well maintained. It’s a very homey environment.”

Samantha “Sam” Shoemaker moved into the Transition House when it opened in February 2012 and successfully moved out in February 2014 to a place of her own in the community. “My time at the transitional house was great. I truly enjoyed getting to know Sandy and my other friends, as well as the staff. I have learned a lot to be independent. Like, I learned to do my own banking, cooking, cleaning and also my job and to schedule my own appointments,” Sam said.

Johnny West would like to live in the new apartments. Johnny dreams of being closer to work and to his friends. Johnny said, “I’ve been living in the same place for a long time and would like to live in a brand new place. I could walk over to my job and to program, and I wouldn’t have to worry about the bus always being late.”

FLUCP, Inc./Happiness House is looking at ways to duplicate similar housing opportunities in Monroe County. To learn more and to find out how you can support this project, contact Tiffany Yancey, Assistant Director of Residential Services at (585) 394-9510.
CLEVELAND BROWN - FINDING HIS VOICE

Cleveland Brown first came to Happiness House in July 2012, where he began attending the structured day program and received therapy services through the Article 28 Diagnostic and Treatment Clinic. He experienced a traumatic brain injury in 1988 when he fell off of a ladder, leaving him with an impaired ability to walk, no use of his right arm, and severe aphasia. He was only able to say “yeah” and “ok.” In speech-language therapy, Cleveland learned how to use gestures and picture symbols to communicate more effectively, however, he was not fond of lugging around the big binder that contained his picture symbols, which would often tear or get lost. It was clear he needed something more durable and portable, so his speech therapist introduced him to alternatives: a DynaVox and an iPad equipped with Proloquo2Go. Proloquo2Go is an Augmentative and Alternative Communication (AAC) app for the iPad, iPhone, or iPod Touch, which allows people who have difficulty speaking (or cannot speak at all) the ability to talk using symbols or typed text that is then spoken aloud in a synthesized voice. Cleveland did not care for the heavy, bulky DynaVox, which was difficult to carry. When he laid eyes on the iPad, it was love at first sight. Cleveland pointed to the iPad and stated, “Yes… better…yes!!”

Speech therapists began targeting Cleveland’s ability to use the iPad. He not only had to learn how to navigate the Proloquo2Go app, but he also had to learn how to operate an iPad (e.g. turn it on, use the touch screen, etc). Very quickly, Cleveland began using the symbols on the iPad to communicate to his therapists, peers, and day program staff. He also began participating in day program activities and games that he was unable to previously due to his aphasia.

Outside of Happiness House, Cleveland did not have an iPad and still struggled to communicate with others. He needed an iPad of his own that he could use all the time and anywhere. However, iPads are expensive, and are still not widely covered by insurance companies. Reimbursement programs are available through private grants and programs, but Cleveland struggled to find a reimbursement program that he qualified for. He decided to begin saving his own money to purchase an iPad and the Proloquo2Go app ($219) for himself. Because Cleveland was on a fixed income, it took him months to save enough money to make his purchase. He received support from his ILST, service coordinator, and speech therapist to remember to put money aside each month, and eventually, Cleveland saved up enough money. He bought an iPad of his own in September 2013.

Cleveland now has an iPad he carries with him at all times, so he can communicate across all environments with many people. He is currently learning to use his iPad to communicate with others in his home, at the grocery store, and other places in the community. By using the iPad to practice his speech, his speaking vocabulary has grown as well. Cleveland is now often heard saying “Occasionally,” “Yes, please,” “Your turn,” “Thank you,” and other short phrases. His motivation and desire to be able to participate in the world around him have been crucial to achieving this progress. Cleveland is a role-model to individuals struggling with aphasia or other communication impairments by showing that even with a disability, you can still have a voice.

CANANDAIGUA DAR (DAUGHTERS OF THE AMERICAN REVOLUTION) CHAPTER SUBMITS HAPPINESS HOUSE ENTRY, WINS!

Congratulations to Happiness House’s Canandaigua “Green” room (classroom), winners of the Junior American Citizens Committee 2014 Contest! They placed 1st for the NYS award, were selected as the Northeastern Division 1st place winner, and placed 3rd nationally! 31 preschool students ages 3-5 in both Happiness House’s morning and afternoon sessions assisted with this community service project, conducting activities to recognize and honor our local veterans.
HAPPINESS HOUSE BOARD MEMBER, FOUNDATION ADVISOR RECEIVE HONORS

The Rotary Club honored Mark and Mary Herlihy Gearan with its Springstead Award during a ceremony at Club 86. The award recognizes their service to the city and commitment to the larger community. Mark Gearan is president of Hobart and William Smith Colleges. Mary Gearan volunteers with many local organizations, including Happiness House.

The Springstead Award was established four years ago. It was named for the late Ralph Springstead, a longtime Geneva banker and Rotary member. Past recipients include Carl Fribolin, the Rev. James Gerling, Rosa Blue and David and Brenda Rickey.

Mark Gearan became president of HWS in 1999. He established the President’s Forum lecture series and developed the Geneva Partnership, deepening the Colleges’ relationship with the community. Like his wife, he is active in many community organizations.

Mary Gearan has been on the Happiness House board of directors since 2002 and helped create the Happiness House Gala. She is also on the committee for the Festival of Nations.

HARRY AND ANN BURT NAMED CITIZENS OF THE YEAR

For only the third time in its history, the Geneva Area Chamber of Commerce honored a couple rather than an individual with its Citizen of the Year Award. After more than 60 years of marriage, and almost that long a stretch of volunteerism, it would be hard to split Harry and Ann Burt apart.

The Burts have been active in the community since the 1960s. They work quietly and do not seek recognition, but their efforts have touched many in the area. Mary Boatfield, chair of the Chamber’s board, told the crowd at Belhurst.

Former town Supervisor Mary Luckern, who was among those who nominated the Burts, agreed. “Both Ann and Harry are steadfast advocates of our community, involved, supportive, concerned residents who contribute so much time and effort,” Luckern said.

Harry Burt serves on the town Zoning Board and on the Finger Lakes Community College Foundation board. He is a past president of the Clifton Springs Rotary Club. Ann Burt served on Happiness House’s board from 1984-2013. Last year, Ann Burt was honored as Happiness House’s board member of the year. Harry Burt received the Donald M. Mawhinney Trustee Leadership Award from FLCC in 2012.

“Ann and Harry are steadfast supporters of many venues in our community,” Cheryl Coppola of Happiness House said. “Harry and Ann never stop working to make the Finger Lakes region a better place.”

Ann Burt told the crowd that her devotion to volunteerism began 65 years ago, when she was a freshman at Keuka College. “What we were told was, we should always give back to our communities, because it was so important to appreciate what we had been given,” she said. Her first volunteer job was at Happiness House.

Harry Burt used his speech to thank his wife, children, grandchildren and friends. He also paid tribute to his community. “I love Geneva,” he said. “I’m so happy about Geneva, and I think you all ought to be, because it’s a beautiful place.”

CONGRESSMAN TOM REED STOPS BY TO SAY “HI” AT HAPPINESS HOUSE

The Rotary Club honored Mark and Mary Herlihy Gearan with its Springstead Award during a ceremony at Club 86. The award recognizes their service to the city and commitment to the larger community. Mark Gearan is president of Hobart and William Smith Colleges. Mary Gearan volunteers with many local organizations, including Happiness House.

The Springstead Award was established four years ago. It was named for the late Ralph Springstead, a longtime Geneva banker and Rotary member. Past recipients include Carl Fribolin, the Rev. James Gerling, Rosa Blue and David and Brenda Rickey.

Mark Gearan became president of HWS in 1999. He established the President’s Forum lecture series and developed the Geneva Partnership, deepening the Colleges’ relationship with the community. Like his wife, he is active in many community organizations.

Mary Gearan has been on the Happiness House board of directors since 2002 and helped create the Happiness House Gala. She is also on the committee for the Festival of Nations.
ASSEMBLY MINORITY LEADER
BRIAN KOLB
VISITS HAPPINESS HOUSE

Assembly Minority Leader Brian Kolb stopped by recently to read, talk about trains and do an activity with our preschool students, then visited with TBI Structured Day Program participants.

DINOSAURS VISIT WATERLOO UPK

Recently, the Waterloo UPK program was visited by the educational staff from the Museum of the Earth in Ithaca, NY. During the visit the friends learned about dinosaurs and had an opportunity to handle authentic dinosaur fossils. The visit was planned to go along with a two week class unit on dinosaurs. Pictured here is William Reese from Mr. Jeff’s Red Room holding a fossilized back plate from a Stegosaurus and Carter Sindoni from Ms. Tami’s Blue Room with a thumb spike from an Iguanodon.

BRAVE POLAR PLUNGE FRIENDS RAISE FUNDS FOR HAPPINESS HOUSE
Upcoming Events

The Francis “Ben” Bonafiglia Happiness House Golf Tournament
Presented by the Bonafiglia Family

Wednesday, August 6, 2014
Seneca Falls Country Club
2790 Rt. 89 Seneca Falls, NY

In spite of our sincere efforts to avoid errors they occasionally do occur. If your name was misspelled or omitted from this list we hope that you will advise us of the error. Thank you.
A few years ago when the Foundation Board was established one of its first actions was the establishment of The Founder's Society Endowment Campaign and its goal of $250,000. I am pleased to announce that with the support of over 100 donors who invested in us and our future we have reached that goal!

As the fundraising entity of Happiness House, please know that we are unwavering in our commitment of providing Happiness House with the funds necessary to provide our families and consumers with the best possible services and programs humanly possible.

Best Regards,
Robert Schick

In spite of our sincere efforts to avoid errors they occasionally do occur. If your name was misspelled or omitted from this list we hope that you will advise us of the error. Thank you.
Change lives forever.
